

ARTICULATION

BUSINESS ENGLISH *for Organizations*

Master the global language of business

English is used in almost all businesses across all industries in the world. The ability of employees to converse well in English is important to perform daily tasks and enhance the prospect of growth for any organizations. At Articulation, we help equip your organization by teaching quintessential business English to help them perform their roles competently.

Program Outcomes

At the end of the 2-days session, participants will be able to:

- Converse in English for various business settings
- Avoid basic grammatical mistakes
- Use common business phrases
- Expand business vocabulary
- Write functional emails and reports
- Deliver competent presentations at work

Who should attend

- Frontliners
- Project Leaders
- Supervisors
- SME business owners

Methodology

Sessions will include lecture, personal sharing, group-based activities and individual presentation.
