

ARTICULATION

COMMUNICATION SKILLS *for Job Interview*

Your dream job is waiting. Are you ready?

After years of academic pursuits, you finally made it to a job interview. But you are unable to highlight your achievements and articulate your potential to the interviewer. A simple 'Tell us about yourself' leaves you tongue-tied or rambling incoherently. A dream career ends before it begins.

Job interview can be an unnerving experience to many but it doesn't have to be. At Articulation, learn how to express your most positive traits and say the right things confidently to get that dream job!

Program Outcomes

At the end of the 1-day session, participants will be able to:

- Express key achievements intently
- Discover personal positive traits
- Clarify personal goals and aspirations
- Answer quintessential job interview questions
- Understand the do's and don'ts of before, during and after interviews
- Identify characteristics of a good curriculum vitae

Who should attend

All job seekers!

Methodology

Sessions will include lecture, personal sharing, group-based activities and individual presentation.
