

ARTICULATION

DEBATING SKILLS *for School Team*

Without debate there wouldn't be growth

A good debate can influence minds and it is a method to change the world. Hence, debating is often seen as the pinnacle of public speaking. It complements individual and team presentation skills with elements of critical thinking, ability to articulate thoughts and delivering rational matter in speeches. At Articulation, learn to combine this art and science of debating to influence the world in a positive manner.

Program Outcomes

At the end of the 6 sessions, participants will be able to:

- Understand the various formats of debates
- Understand different roles of speakers in a team
- Identify personal debate style
- Foster positive and vibrant team dynamic
- Utilize and answer POI appropriately
- Display proper etiquette during debate
- Prepare and deliver arguments competently

Who should attend

- Debaters
- Adjudicators
- Youth who wants to better articulate their arguments!

Methodology

Sessions will include lecture, team-based activities and debate simulations.

ABOUT THE TRAINER

Stuart Lee is a trainer and award-winning speaker. A national debater during his university days, he has since trained various debating teams from universities across Malaysia and Brunei to contest in regional and international competitions. A firm believer of constructive discourse, Stuart wishes to impart the fundamentals of debating skills to all secondary and tertiary students.
